

**HELP PROJECT SPIN WIN THE GOLDBIRSH FOUNDATION'S LA2050 CAMPAIGN**  
(Submitted from the Los Angeles LGBT Center)

Project SPIN is a bold initiative by the Los Angeles LGBT Center and schools in Los Angeles County. It brings systemic changes to school communities that will end conditions contributing to LGBTQ youth suicide and supports all students. The project aims to create safe and affirming environments in schools.

Project SPIN is in the running for Goldhirsh Foundation's LA2050 Campaign. If it is the #1 voted project, it will receive \$100,000 to further enhance our LA initiatives and potentially expand this program to other cities.

Please take a few moments of your time to help make a difference in the lives of thousands of LGBTQ youth in public schools, and be sure to spread the word and share it on your own social media!

Voting ends on Tuesday, September 16<sup>th</sup> at noon (PDT). Only one vote per e-mail, so share it with your friends and on your social media!
